Welcome to United Technologies Corporation!

As part of your benefits package, you have access to HelloWallet, an online financial guidance website. This benefit is being provided to you at no charge and all you have to do is sign up online. After registering you'll be on your way to a brighter financial future!

What is HelloWallet?

HelloWallet is an easy-to-use online resource designed to help you boost your wealth and reach your financial goals.

What can HelloWallet help you do?

- Get Organized: See all of your accounts in one beautiful place, updated in real-time
- Get Insight: Get a comprehensive assessment and pinpoint areas for improvement
- Get Ahead: Set financial priorities, pay down debt, and save for the future

Is HelloWallet secure?

HelloWallet uses bank-level security. Account data is stored behind multiple levels of authentication and security personnel monitor the system 7 days a week, 24 hours a day. The system is read only, so we do not store your account numbers or your banking log-in credentials. Furthermore, we never share your personally identifiable data with third parties or UTC.

Why is there a HelloWallet tile on Your Gateway?

HelloWallet has partnered with UTC and Aon Hewitt to easily create a direct connection to your UTC Savings Plan accounts, which will enhance your HelloWallet experience with more data and insights about your financial life. By creating your HelloWallet account through My Gateway, you'll be able to track your HelloWallet Wellness Score and get direct access to your HelloWallet account each time you log in to Your Gateway.*

*Requires member to opt-in to data sharing and single sign-on.

How much does HelloWallet cost?

UTC provides HelloWallet at no cost to participants.
